Graphic Reporter Intern, The Washington Post

I was chosen from the pool of 1000 applicants to participate in the [Washington Post summer internship program](#).

Columnist, The Reporter

Writing monthly columns on new media and journalism for “New Media Charging Station” for The Reporter (Taiwan)

Graphic Editor Intern, The New York Times

I was chosen from the pool of 3000 applicants to participate in the [New York Times internship program](#).

Reported and researched on daily stories, breaking news and special features.

Designed and coded [data visualizations](#) and [maps](#) using D3.js, Mr. Chartmaker, Illustrator, QGIS.

Performed [statistical analysis](#) for news stories and features.

Graphic Reporter/ Developer, Online News Association Student Newsroom

I was named one of the 20 student journalists to watch and will be participating in 2015 Online News Association Student Newsroom as a graphic reporter and developer.

Pitched and researched on data driven stories related to the Online News Association conference.

Designed and produced one [news app](#) and one [data driven news package](#) in 3 days.

Google Journalism Fellow, Google & The Texas Tribune

I was named a [Google Journalism Fellow](#) from the pool of 1400 applicants.

Produced [data visualizations](#), [illustrations](#), [interactive maps](#) for special projects and daily news.

Performed [statistical analysis](#) of health care data, campus crime rates, energy production and many more.

Contributed to d3.js data visualization templates for the Texas Tribune News Apps team.

Freelance Environmental Journalist & Data Visualization Designer

Covered weekly [environmental stories](#) in California, with a focus on energy and extractive industries.

Designed data visualizations for various publications, including Oakland North, Richmond Confidential and KQED.

Design Intern, OpenMoko, Inc.

Assisted in the development of [web-based annotation platform](#).

Provided usability testing and feedback, particulary for reading and annotation of Chinese content.

Administrative Cadre, Alternate Military Service, Taiwan Ministry of Justice

Performed statistical analysis of regional crime rates and criminal sentencing irregularities, such as gender inequalities.

Supervised the daily performance, conduct, and scheduling of lower-ranking personnel.

Staff Writer, The Liberty Times, Breaking News Department

Produced content for the national, international and economic desks and translated breaking news from international news agencies.

Authored updated coverage of live news events, including the [Taiwanese presidential debates](#), Grammy awards and United Nations assemblies.
